Suit for \$20,000.

Dr. W. J. Bowen, administrator of the estate of Richard Wanner, who was killed in a wreck on the Seashore division of the "Consolidated Railway" (in Charleston) on June 25 last, has filed suit in the Court of Common Pleas for Charleston county for \$20,000 damages. The administrator is represented by Messrs. Simons, Seigler & Campbell, and Messrs. Mitchell & Smith. In the bill of complaint the fact is recited that Mr. Wanner left a father and three sisters who were dependent on him for support; that in June he was a conductor employed by the company and was traveling in the discharge of his duty, on a flat car, which was wrecked near the depot. It is alleged in the complaint that the wreck was due to the carelessness and negligence of the company by providing a car which could so easily jump the track and which was unsafe for the carrying of passengers. The complaint demands \$20,000 damages.
